NEW KINDNESS' 2013 DONATION RECIPIENTS

This year, New Kindness has been able to provide a donation to five different organizations, including Massey Centre, Humewood House, WoodGreen and Casey House.

This year also marked our first repeat donation. We were delighted to receive knitted hats, scarves and mittens that we recognized would find a perfect home at Casey House. We encourage all recipient organizations to keep us apprised of their ongoing needs in order to facilitate repeat donations.

We donated items such as knitted baby clothes, blankets, washcloths and handsewn children's clothes. Of special note were the many knitted dishcloths we received as a result of our first crafting workshop. These items, provided by generous donors who attended our workshop, helped us give to organizations we otherwise would not have been able to help.

NEXT CRAFTING WORKSHOP NOVEMBER 16

Our series of workshops continues on Saturday November 16 with a session in which participants will learn how to sew a simple patchwork baby bib.

All supplies, as well as the instructor and the facility, will be provided by New Kindness. A variety of fabrics will be available to participants so that they will be able to unleash their creativity when making their bibs.

The finished projects will be donated to Massey Centre, an organization that serves pregnant and parenting teens. Participants will have an opportunity to make more bibs after the workshop so that as many people as possible can receive an item.

Participants of our first workshop learned how to make knitted dishcloths. The workshop was a huge success and has resulted in over 150 dishcloths being donated to New Kindness. If you have an idea for a workshop or would like to be an instructor for one, please contact us.

When: Saturday November 16, 2013, 11am to 2pm

Where: 394 Old Orchard Ave, Toronto, ON (off Avenue Rd., north of Lawrence Ave.)
